(Law Section),
Collectorate, Dadra and Nagar Haveli,

No. ADM/LAW/CORONAVIRUS/06/2020/PART-III/1028

Silvassa.Date: 13/04/2020

C I R C U L A R

In the wake of outbreak of coronavirus (COVID-19), which World Health Organization declared pandemic, the Central Government has announced a Total lockdown for 21 days from 25th March, 2020, in order to control the spread of virus. Many of the Countries have reached the fourth stage of spreading i.e. community spread. This stage makes difficult to trace affected persons which in turn rapidly increases the COVID-19 cases.

Rigorous contact tracing and intensive testing is the most effective way to ensure maximum effectiveness for targeted containment and isolation strategies for combating the COVID-19 pandemic.

In order to keep control on community spreading of COVID-19 and to trace the affected persons, Ministry of Health and Family Welfare has developed a Mobile Application called "Aarogya Setu", which will alert citizens about their proximity to COVID-19 infected persons or people who may have come in contact with them.

Once this application is used in large numbers, the citizens will be well informed about their surrounding COVID-19 cases. This application will also help in tracing COVID-19 affected persons and finally reach its objective of controlling its spread in the community.

Therefore, all the Industries of Dadra and Nagar Haveli which are granted permission to operate shall facilitate their employees/ staff/ workers to install "Aarogya Setu" mobile application (available in 11 language) on their respective Smart phones.

This application is available on both Android as well as iOS, which can be downloaded from.

a) iOS- [itms-apps://itunes.apple.com/app/id505825357](https://itunes.apple.com/app/id505825357)

b) Android- <https://play.google.com/store/apps/details?id=nic.goi.aarogyasetu>

(Sandeep Kumar Singh)
District Magistrate
Dadra and Nagar Haveli.
