

दादरा नगर हवेली ऊर्जा वितरण निगम लिमिटेड
(सरकार का उपक्रम)

DNH POWER DISTRIBUTION CORPORATION LTD.

(A GOVERNMENT UNDERTAKING)

CIN : U40100DN2012GOI000405

No. 423

Dt. 19/02/2020

Circular

As per clause No. 5.125 of the Joint Electricity Regulatory Commission (Electricity Supply Code) Regulation 2018, the metering equipments of Industrial consumers are to be provided/ installed near the main gate, at front of the premise (beside the Distribution Transformer) to access the Energy meter. So that the meters and other equipments are always accessible to DNHPDCL (licensee) for inspection without infringing upon the consumer's privacy.

Therefore all industrial consumers are requested to shift their metering equipments from inside premises to the outside premises / near Distribution Transformer in consultation with the Assistant Engineer (Area Incharge) / Junior Engineer (Area Incharge) within 30 days of the receipt of this circular, failing which the Corporation will carry out the shifting work of metering equipments and cost of the said work will be recovered from the consumer which may please be noted.
