Online workshop on  
**"Effective Analysis of your Electricity Bill - Reduce costs"**  
Wednesday, September 16, 2020 from 4.30 pm to 6.00 pm

**Dear Sir/Madam,**

The power distribution utility of Maharashtra – MSEDCL, announced its Multi Year Tariff structure till the year 2024 – 2025. The tariff structure was revised from kWh-based to kVAh based billing. Similarly, Himachal Pradesh, Delhi, Uttar Pradesh, Jammu & Kashmir, Andhra Pradesh, Chhattisgarh, Bihar, Haryana, Punjab have already introduced kVAh billing for bulk consumers and more states are in the pipeline.

**IMC Chamber of Commerce and Industry is organizing an online workshop on "Effective Analysis of your Electricity Bill - Reduce costs" for all categories including Shops, offices, Heavy Industry etc.**

This workshop will focus on the tariff structure in Maharashtra as a case study and provide in-depth insights on the kVAh tariff for all categories of consumers including shops, offices, heavy industry, etc. This information will be useful to delegates from other states also, as the structure will be similar there.

Program details are as follows:

**Day and Date : Wednesday, September 16, 2020**

**Time : 04.30 p.m. To 6:00 p.m.**

The workshop will be on Zoom.

**Mr. Yogendra Talware, Founder Director of Strom Energie Pvt. Ltd. will provide understanding of the following Key topics:**

- Various parameters of an electricity bill relevant to all categories of consumers
- Power Factor Calculations and KVAH Calculations
- Changes in Tariff structure over the years
- Details of kVAh based billing
- Various Case Studies
- Harmonics and its impact on kVAh billing

**Speaker's Profile:**

**Mr. Yogendra Talware** has authored four books titled "Art of reading Electricity Bills" for consumers in all categories. He has been awarded with the second prize in the 13 State level Awards for excellence in Energy Conservation and Management by MEDA in the year 2019. An Electrical Engineering Graduate from BVCOE, University of Pune with twenty five years of experience in the field, He has interacted with more than ten thousand consumers through webinars in the last couple of months on the subject of the new Electricity Tariff on kVAh. He also has regular interactions with subject experts on national as well as international level.

**This online workshop would give delegates a better understanding of the kVAh Tariff structure and ultimately save on your energy bills. The esteemed speaker will simplify the complicated tariff structure.**
