Subject: Commodity Market Fundamentals Forum 2020

Commodity Market Fundamentals Forum 2020

Thursday January 23, 2020 - 4 pm to 7 pm

Venue: Walchand Hirachand Hall, IMC Bldg, Churchgate, Mumbai 400020

There are several drivers of the market seemingly disparate, but connected in a way that they feed on each other; and a combination of their impact is what drives commodity prices. A sound understanding of the market fundamentals is necessary to be able to read the market reasonably correctly; and thereby make informed trading and investment decisions. This is especially important in the present times characterised by geopolitical uncertainties, growth concerns, currency gyrations, volatile crude oil market and so on.

There is, therefore, a perceived need to educate stakeholders in the commodity value chain including companies with exposure to commodities about the dynamics of the market from a fundamental perspective so that their buy / sell / trade / hedge decisions are well informed and scientific.

It is in this backdrop that IMC Chamber of Commerce and Industry in support with Multi Commodity Exchange of India Limited (MCX), has decided to conduct the Commodity Market Fundamentals Forum on January 23, 2020 at Walchand Hirachand Hall, IMC Bldg, [IMC, Churchgate, Mumbai 400020](#) starting at 4.00 pm.

The speakers are reputed market experts who will share their perspective from the fundamental standpoint covering energy, bullion, base metals and major agricultural commodities. A senior official from SEBI has been invited to be the Chief Guest for the event.

Registration is mandatory due to limited number of seats which will be allotted on First-come-First- served basis. To confirm your participation please send a mail to Ms. Anita Naik at anita.naik@imcnet.org.

We look forward to welcoming you at the CMFF 2020.

Ajit Mangrulkar
Director General
