Sir,

Dr. B.B.A. Govt. Polytechnic, Karad (DP) offers diploma engineering courses in six disciplines (viz., Civil, Mechanical, Electrical, Computer, Information Technology, Electronics & Communication Engineering) under Gujarat Technological Universities, Ahmedabad. We are focused to foster employable skills (viz., professional, technical know-how and soft skills) in our final year students.

In this mission, we feel need to establish close relationship with the local industries and work together. This way, we expect to form a knowledge sharing support system with novel collaboration of industries, their technical experts and the Polytechnic. We realize this endeavor would inculcate overall professional/soft skills in our students for their better post-diploma career, placement and service in the industries.

In view of the above, we feel privileged to invite experts/representatives of various local industries to the proposed Industry Meet-2016 in Dr. B.B.A. Govt. Polytechnic, Karad (DP) on 20th October 2016, at 2:00 – 4:00 pm.
