Subject: Pathetic condition of roads between Athal junction to Classic Marble, SailyCanal junction to Alok Spinning, Rakholi junction (from M Kutty's Restaurant) to Bhilosa Industries in Village Rakholi.

Sir,

Rambilas Bidada
Vice President

We had drawn your attention to the bad conditions of various roads. Thanks for your actions that many of them have been repaired.

However, following three remained unattended. Their conditions are pathetic inviting fatal accidents at any time and apart damages to vehicles:

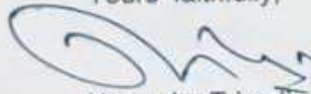

1. Road from Athal junction to Classic Marble especially from the culvert, Pramukh Paer Mills to Classic Marbles.
2. Rakholi Sayli Road, from M Kutty's restaurant to Welspun and again near canal.
3. Canal junction Sayli Rakholi road to Alok Spinning.

Narendra Trivedi
General Secretary

We look for a prompt action to save lives and damages to vehicles.

Thanking you,

Yours' faithfully,

Narendra Trivedi,
General Secretary
